# EVOline® Dock

UL listed and tested to meet UL 1363 with 1 – 8 socket outlets.
Electrical codes vary by location. Please check with your electrician
to verify that this unit meets your local code before installing.

# EVOline® Dock

EVOline Dock sits above the desk allowing maximum workspace. Various fixing options are available like EVOline Quicklock, clamps, pillars, etc.

The configurable charging and data station can be equipped with the complete EVOline Modules range.
